## **KaBOOM! PLAYGROUND DESIGN WINNER SELECTED**

*Online Voting for New Playground Design has Clear Winner*

**Glendale, Ariz.** – Volunteers from the City of Glendale, the Arizona Coyotes Foundation and the KaBOOM! nonprofit agency now have a selected design plan for the one day build on an entire playground at Bonsall Park.

The Arizona Coyotes Foundation hosted an online vote of the three final designs constructed by KaBOOM! staff and several Glendale children. The Power Play design was the sound winner with nearly twice the votes. The Power Play design features a tire swing, rock wall climbing area, slide, monkey bars and several other fun features.

The Power Play design will be constructed in one day on Dec. 8 at Bonsall Park, 59th Avenue and Bethany Home Road with the help of nearly 200 volunteers.

KaBOOM! is a national nonprofit organization dedicated to giving kids the childhood they deserve by bringing play to those who need it most. The Arizona Coyotes Foundation "seeks to enhance the quality of life throughout Arizona communities by supporting non-profit organizations that promote healthcare, education and cultural arts programs for children and service men and women."
